

## Transform your teaching – transform your voice

### EMBODIMA™ EVOLUTION

**WHEN: September 19<sup>th</sup> and 20<sup>th</sup> 2026**

**10am-13.00 BST online**

**A transformative approach to singing**

Rooted in anatomy and backed by science, Embodima™ takes a futuristic whole-body approach to vocal learning.

**CPD: Full multi-genre interactive learning experience with 3 exceptional tutors.**

**Small, individual groups led by originator and elite coach Nicola Harrison**

**Take away:** understand motor training, the science behind Embodima Evolution™, how it works and why our gestured shapes are so effective in training the muscles of singing.

#### **Tutor-led learning**

6 hours of practical learning in small groups of 6-8. Group, pairs and 1:1 training.

Spread over x 2 morning sessions of 3 hrs

Course materials, PDFs and summaries.

Instantly use 10 key gestures in your studio and experience incredible results.
